Danielle Teale Dance is proud to announce the launch of the **Dancing with Parkinson's Company** in partnership with Poplar Union. This summer join the DWP Company and take part in the **Collective Identity (CID) Project**.

The project begins with regular dance workshops for people with Parkinson's, their family members or carers, and dance professionals, musicians and visual artists collectively. The workshops will provide creative exploration in a fun and engaging environment, taking place at the wonderful arts and community venue, Poplar Union. Dancers will be led by a range of exciting guest choreographers and musicians and will have the opportunity to share their thoughts and experiences in a discussion after the workshops.

**Introduction Session:** 5 June, 12-3pm / **Weekly Workshops:** 12 June-17 July, 12-3pm / **Sharing Event:** 20 July

The project will culminate in a sharing event and exhibition of work for friends, family and the local community to see and hear about the work we have been exploring together.

All workshops will take place at Poplar Union, 2 Cotall Street, London E14 6TL and include lunch for all. Anyone is welcome, regardless of dance experience, and people with Parkinson's are welcome to attend alongside a family member or carer.
